

Firestore::_initializeStream

```
graph LR; A[Firestore::_initializeStream] --> B[reject]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is gray with a black border and contains the text 'Firestore::_initializeStream'. The right box is white with a black border and contains the text 'reject'. The blue arrow points from the right side of the gray box to the left side of the white box.

reject
