

parseHost

```
graph LR; A[parseHost] --> B[containsForbiddenHostCodePoint]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'parseHost'. The right box is gray with a black border and contains the text 'containsForbiddenHostCodePoint' on two lines. The arrow is a solid blue line with a triangular head pointing towards the right box.
