

Queue::constructor

```
graph LR; A[Queue::constructor] --> B[Queue::clear];
```

A diagram showing a call from the constructor to the clear method. On the left, a white rectangular box with a black border contains the text "Queue::constructor". A blue arrow points from the right side of this box to the left side of a gray rectangular box with a black border on the right, which contains the text "Queue::clear".

Queue::clear
