

Sha1::update

```
graph LR; A[Sha1::update] --> B[Sha1::compress_];
```

A diagram showing a call from the function `Sha1::update` to the function `Sha1::compress_`. The `Sha1::update` box is shaded gray, and the `Sha1::compress_` box is white. A blue arrow points from the right side of the `Sha1::update` box to the left side of the `Sha1::compress_` box.

Sha1::compress\_
