

IamClient::constructor

```
graph LR; A[IamClient::constructor] --> B[IamClient::servicePath]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'IamClient::constructor'. The right box is gray with a black border and contains the text 'IamClient::servicePath'. A blue arrow points from the right side of the left box to the left side of the right box.

IamClient::servicePath
