

build

```
graph TD; build[build] --- src[src]; build --- generated[generated];
```

The diagram illustrates a directory structure. A light blue rectangle with a dashed border is labeled 'build' at the top. Inside this rectangle is a smaller rectangle with a solid black border. This inner rectangle contains two elements: the text 'src' on the left and a smaller, solid blue rectangle with a black border labeled 'generated' on the right.

src

generated
