

FirebaseError::constructor

```
graph LR; A[FirebaseError::constructor] --> B[ErrorFactory::create]; B --> C[replaceTemplate];
```

A horizontal flowchart with three rectangular boxes. The first box on the left is white with a black border and contains the text 'FirebaseError::constructor'. A blue arrow points from the right side of this box to the left side of the second box. The second box is also white with a black border and contains the text 'ErrorFactory::create'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is gray with a black border and contains the text 'replaceTemplate'.

ErrorFactory::create

replaceTemplate
