

`Acl::get`

```
graph LR; A["Acl::get"] --> B["Acl::makeAclObject_"]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text `Acl::get`. The right box is white with a thin gray border and contains the text `Acl::makeAclObject_`. The blue arrow points from the right side of the left box to the left side of the right box, indicating a flow or call from the first function to the second.

`Acl::makeAclObject_`
