

StringSource::readFromBuffer

```
graph LR; A[StringSource::readFromBuffer] --> B[StringSource::updateBuffer Boundary];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'StringSource::readFromBuffer'. The right box is gray with a black border and contains the text 'StringSource::updateBuffer' on the top line and 'Boundary' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
