

FirebaseError::constructor

```
graph LR; A[FirebaseError::constructor] --> B[ErrorFactory::create]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'FirebaseError::constructor'. The right box is gray with a black border and contains the text 'ErrorFactory::create'. A blue arrow points from the right side of the left box to the left side of the right box.

ErrorFactory::create
