

CommandInstance::addDirectory

```
graph LR; A[CommandInstance::addDirectory] --> B[CommandInstance::addHandler]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is white with a black border and contains the text 'CommandInstance::addDirectory'. The right box is gray with a black border and contains the text 'CommandInstance::addHandler'. A straight blue arrow points from the right side of the white box to the left side of the gray box. A curved blue arrow starts from the top of the gray box and points back to the top of the same gray box, indicating a self-call.

CommandInstance::addHandler
