

express

The diagram illustrates the Express.js architecture. It features a large, light blue rounded rectangle with a dashed border, labeled 'express' at the top. Inside this rectangle is a smaller, solid light blue rounded rectangle with a thick black border. This inner rectangle contains three components: 'lib' on the left, 'middleware' in the center, and 'router' on the right. The 'middleware' and 'router' components are each enclosed in a smaller, solid blue rounded rectangle with a black border.

lib

middleware
