

ClientPool::release

```
graph LR; A[ClientPool::release] --> B[ClientPool::shouldGarbageCollectClient]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'ClientPool::release'. The right box is gray with a black border and contains the text 'ClientPool::shouldGarbageCollectClient' on two lines. A blue arrow points from the right side of the left box to the left side of the right box.

ClientPool::shouldGarbage
CollectClient
