

AbortController::constructor

```
graph LR; A[AbortController::constructor] --> B[createAbortSignal]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'AbortController::constructor'. The right box is gray with a black border and contains the text 'createAbortSignal'. A blue arrow points from the right side of the left box to the left side of the right box.

createAbortSignal
