

Util::makeRequest

```
graph LR; A[Util::makeRequest] --> B[Util::_getDefaultHeaders]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text 'Util::makeRequest'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Util::_getDefaultHeaders'. Both boxes have a thin black border.

Util::_getDefaultHeaders
