

`View::constructor`

```
graph LR; A[View::constructor] --> B[newViewProcessor]
```

A diagram illustrating a function call. On the left, a white rectangular box with a black border contains the text `View::constructor`. A blue arrow points from the right side of this box to the left side of a gray rectangular box with a black border on the right. The gray box contains the text `newViewProcessor`.

`newViewProcessor`
