

grpc-js

The diagram illustrates the directory structure of the grpc-js project. It features a large light blue rectangle with a dashed border, representing the project root. Inside this rectangle, at the top center, is the text 'grpc-js'. Below this text is a smaller rectangle with a solid dark border, representing a subdirectory. Inside this subdirectory, on the left, is the text 'src'. To the right of 'src' is a smaller rectangle with a solid dark border and a light blue fill, containing the text 'generated'.
