

PublicKeySignatureVerifier
::verify

```
graph LR; A[PublicKeySignatureVerifier::verify] --> B[getKeyCallback]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'PublicKeySignatureVerifier' on the top line and '::verify' on the bottom line. The right box is gray with a black border and contains the text 'getKeyCallback'. A blue arrow points from the right side of the left box to the left side of the right box.

getKeyCallback
