

materialize

```
graph LR; A[materialize] --> B[Notification::createError]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is white with a black border and contains the text 'materialize'. The right box is gray with a black border and contains the text 'Notification::createError'. The arrow points from the right side of the first box to the left side of the second box.

Notification::createError
