The diagram illustrates a relationship between three functions. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'LLRBNode::moveRedLeft_' and the bottom box contains 'LLRBNode::moveRedRight_'. On the right, there is a gray rectangular box with a black border containing the text 'LLRBNode::colorFlip_'. Two blue arrows originate from the right side of the top-left box and the right side of the bottom-left box, both pointing towards the left side of the gray box on the right.
