

getHeaders

```
graph LR; A[getHeaders] --> B[Headers::keys]; B --> C[createHeadersIterator]
```

A flowchart illustrating a sequence of three steps. The first step, 'getHeaders', is contained within a gray rectangular box. A blue arrow points from this box to the second step, 'Headers::keys', which is in a white rectangular box with a black border. Another blue arrow points from the second box to the third step, 'createHeadersIterator', also in a white rectangular box with a black border. The boxes are arranged horizontally and connected by arrows pointing from left to right.

Headers::keys

createHeadersIterator
