

animationFrames

```
graph LR; A[animationFrames] --> B[animationFramesFactory]; B --> C[run];
```

A flowchart illustrating a sequence of three components. The first component, 'animationFrames', is represented by a gray rectangular box. A blue arrow points from this box to the second component, 'animationFramesFactory', which is a white rectangular box with a black border. Another blue arrow points from the second component to the third component, 'run', which is also a white rectangular box with a black border. The components are arranged horizontally from left to right.

animationFramesFactory
