

Queue::constructor

```
graph LR; A[Queue::constructor] --> B[Queue::clear]
```

A diagram showing a call from the constructor to the clear method. On the left, a gray rectangular box contains the text "Queue::constructor". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right, which contains the text "Queue::clear". Both boxes have a thin black border.

Queue::clear
