

isBundledElectronApp

```
graph LR; A[isBundledElectronApp] --> B[isElectronApp]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text 'isBundledElectronApp'. The right box is white with a black border and contains the text 'isElectronApp'. A blue arrow points from the right side of the left box to the left side of the right box, indicating a logical implication or relationship between the two terms.

isElectronApp
